Swell Equestrian, is pleased offer the Equestrian Canada, **Learn to Ride**, program. Swell is focused on improving your horsemanship skills in a fun & safe learning environment.

Please arrive thirty minutes early to prepare your horse before your scheduled lesson time. For bio-security reasons you must bring your own grooming tote with the following brushes: hoof pick, rubber circular curry comb, hand towel, hoof oil, glycerine soap and sponge, dandy brush, body brush and mane comb. To help stop the spread of deadly equine viruses, we ask that you do not take your grooming bag to other stables. If you do take your grooming bag to another stable please notify us so we can arrange sterile brushes for you to use.

Your riding lesson will be approximately 50 minutes in length. Please bring a carrot or apple for your horse to reward him/her after your ride. After your lesson, please help un-tack your horse and groom him/her, and pick out his/her stall. Caring for your horse, and tidying up after your lesson will be a minimum of thirty minutes.

To participate in any riding lessons, all riders must wear a properly fitted American Society for Testing Materials (ASTM) helmet, and boots with a half inch heel. Riding gloves and riding pants known as breeches, half chaps or tall boots are encouraged. In Nova Scotia, these items can be purchased at retailers including; Greenhawk, Bits-N-Bridles, and The Equestrian Closet Consignment Store.

Group lessons can have between two to five horse rider combinations. *Private lessons* have one horse/rider combination. The monthly *group* riding lesson fee is \$265 including HST, the monthly *private* lesson fee is \$295 including hst. All lesson fees are due on the 30th of the month prior. For instance, June 2022 groups riding lesson e-transfers are due May 30, 2022.

To sign up for riding lessons from May 16- May 31, 2022 time period

1. Visit the website: www.sambeafarm.com
